

Volunteering at events of la Maison de l'amitié.

The Maison de l'amitié runs several events throughout the year, and offers volunteer opportunities for these events. Depending on the interest of the person, **it is possible to volunteer on a one-off basis, or for a longer period of time.**

Whatever your choice, we thank you in advance for considering getting involved in our projects. Your involvement makes a difference in the community, and we are committed to ensuring that you benefit for yourself (being part of a cause, contributing to others, having fun, team building, gaining experience etc.)
